SPOTLIGHT ON DOMAINE PHILIPPE COLIN

The Colin family has been based in Chassagne-Montrachet since 1850. After working in his father's domaine for 16 years, Philippe began bottling under his own name in 2004.

Philippe practices sustainable farming, intervening as little as possible in the winery and continually turns out exceptional chardonnay with a purity that uniquely expresses the terroir.

In 2014 Philippe purchased the South African estate, Topiary, where he works with 2 hectares of chardonnay that are planted on steep rocky slopes.
